IMPORTANT TEST DAY INFORMATION

The use of phones and certain other electronic devices is prohibited in SAT test centers. The test administration staff is encouraged to collect and hold phones and other prohibited electronic devices during the test administration. If your device makes any noise, or you are seen using it or attempting to access it at any time, including breaks, you will be dismissed immediately, your scores will be canceled, and the device may be confiscated. The College Board is not responsible for loss or damage to personal items, including electronic devices, while you are in the test center.

Leave prohibited items at home — they are not allowed in the testing room. Prohibited devices include, but are not limited to:

- Electronic equipment including phones of any kind, personal computing devices (laptops, notebooks, or tablets), cameras, timers, audio players/recorders, and digital watches that can be used to send, receive, or record information.
- Any highlighters, rulers, earplugs, dictionaries or other books, pens or mechanical or colored pencils, pamphlets, or papers of any kind, including scratch paper.

Visit sat.org/test-day or see the *Student Registration Guide* for a list of acceptable equipment and items prohibited in the testing room.
